JOURNALISM STAFFS

REPORTERS

Since it began with an austerity program due to the failure of last year's millage election, the school year 1962-63 has been a unique one. With the successful November election making it possible to restore services and programs which had been curtailed. This year has, however, been another very eventful year for our school. A successful Red Cross campaign, championship athletic teams, an outstanding science fair, winners in art competition, and high scholastic attainments are some of the achievements of 1962—1963.

May this 1963 Annual help you remember the many activities of the year. We wish to congratulate the Editorial and Mechanical Staffs for producing this fine book for all of us.

9A BANQUET

An evening of dining and dancing provided a final gesture of parting to the ninth graders. The decorations committee, headed by Miss Gase and Mrs. Robinson and including Jean Dyer, Rick Wilcox, Janet Smith, Jim Goetz, Bonnie Doyle, Anita Zilbers, Mary Hyslop, Marsha McAllister, Kurt Lauer, and Jackie Rose decorated the gym.

After the invocation had been given by Chris Wolfe, and dinner had been eaten, emcee Eric Hanson introduced the speakers, Carol Nash, Jim Bauer, and Joe Zahn.

The mood was further enhanced with a song from the Madrigals and dance music by the Melodiers.

Games and recreation were provided by Miss Vassaw's committee, on which Vija Piziks, Michele Bourcier, Mary Beisel, Rif Braun, Jeff Colton, and Tom Russell served.

Mrs. W. J. Masterton and Mrs. E. C. Hanson were co-chairmen of the food committee.

9A ASSEMBLY

This year the awarding of Gold Honor and "S" Pins highlighted the annual 9A- Assembly.

Following the processional, "March of the Priests," played by Guna Spacs, Reverend William Rickard addressed the students. The Madrigals, the sexet, Janice Lent in a vocal solo, and a string ensemble playing "Autumn Leaves" lent a musical atmosphere to the traditional farewell assembly. Patti Kipp and Jackie Brennan entertained the students with a modern jazz duet.

THANKS

We of the Sis Boom Staff would like to express our sincere gratitude to those people who have helped to design, create, and make our yearbook a success. We extend a hearty "thanks" to Miss Murphy and Kurt Lauer, who so ably designed our cover; Mr. Briegel, the friendly and patient photographer from Werkema Studios; and finally Mr. Guy and the people working in the office, who have been so cooperative and helpful. Without their help we would have been lost.

GOLD HONOR PINS

The following students will receive gold honor pins if they make the honor role in June. Diane Bender, Randall Braun, Helen Burzyck, Barbara Carlson, Diane Castello, Madeline Caughey, Jeff Colton, Jean Dyer, Linda Gross, Eric Hanson, Ruth Herm, Linda Horvat, Charles Khuen, William Klumpp, Mary Lutskus, Wally Martin, Ted Masterton, Ronald Miller, William Mitchell, Carol Nash, Susan Olson, Michele Parent, Myrna Patterson, John Richter, Ann Rose, John Russell, Thomas Russell, Keith Schauman, John Schmidt, Guna Spacs, Charles Spiekerman, Michael Thomas, Beverly Vogt and Chris Wolfe.

Mrs. Ruby directs South's speech class.

The 7th grade cooking class sits down to eat the meal they've prepared.

The school play, "Terror at Black Oaks," was presented on Monday, December 10, by the South School dramatists.

A dark, stormy night, a large, supposedly haunted mansion, and a mysterious murder provided a suspenseful and exciting atmosphere for this year's production. The entire production led up to the reading of the will of the late Algernon Blakely, a very wealthy gentleman. Before the reading, all heirs were required by the will to remain in the mansion overnight. The tense and exciting events of that night thrilled and terrified the audience.

The play was under the direction of Mr. Albert Eynon. The Junior Band, under the leadership of Mr. Shumate, provided musical entertainment.

MUSIC AGENDA 1963

INSTRUMENTAL MUSIC

South School's Junior and Senior Bands and the Orchestra, all under the direction of Mr. Shumate, have provided much of the year's musical entertainment. The Senior Band played at the Millage Parade, the Christmas Program, a Music Assembly, and South's visitation day for incoming students. The February P. T. A., and the school play were among the places where the Junior Band played.

Having a full schedule to meet, the Orchestra has shown their ability before many groups. Among them were the October P.T.A., the Openhouse, the Christmas Program, the April 25 Assembly, and the Elementary Concert.

All groups participated in the Instrumental Concert on May 10.

VOCAL PRESENTATIONS

The vocal choirs, under the supervision of Miss Mary Ellen Gase, have been working hard throughout the year presenting programs of enjoyable songs. Christmas proved to be the busiest part of their schedule. Both choirs sang in a Christmas program which was presented to the P.T.A., a junior high assembly, and an elementary assembly. Other Christmas activities included caroling in the halls, and singing over W.S.A.M.

During the spring the girls' choir sang selections from the "Music Man", and both choirs participated in the Spring Concert, which was held on May 3.

The choirs were accompanied by Mary Abbe and Guna Spacs.

This year South's Madrigals have been much in demand. They have sung at the Red Cross Assembly, the Bancroft Hotel, various churches throughout the city, the Christmas Program, the Spring Concert, Chippewa School, October P.T.A. and the 9A Banquet and Assembly.

VOLLEYBALL

Ruth Rader and Vija Piziks led South's 1963 volleyball team to another championship. The game with Central started the season off with a win; the scores were 15-11 and 15-9.

The North-South encounter brought the second victory with 15-7 and 12-10 decisions. Cathy Brown's serving brought 7 of the second game's points.

Eddy proved to be an easier opponent; both games were won 15-2.

Central supplied the season's first defeat, 15-10. But Southerners came back the second game to win 15-5.

Barbara La Fleur lead the scoring in the South-Webber game, as she scored a 2-game total of 18 points. Fine teamwork provided the other 12 points.

In a hard-fought game, South beat North 15-13 and 15-4.

Eddy was defeated in both games 15-2 and 15-5. Cherry Cameron scored 9 of the points in the second game.

This year Denny Herzog and Dave Hammer finished 1-2 in the city junior high senior scoring race. Herzog led the league with 106 points in 17 games for a 15.1 average, and Hammer followed with 106 points in 8 games for a 13.2 average. Roger Hayman was also among the top scorers.

South's 8th grade basketball team, coached by Mr. McMurray, compiled a 5-3 record to tie Arthur Eddy for the city championship.

South overwhelmed North 39-16, as Tom Bondell poured in 16 points. South met their first defeat as Central gained a 34-27 victory, but came back to blast Webber 36-27. South was defeated 44-29 by Arthur Eddy, but bounced back again to rout North 38-26 with Mark Helveston netting 18 points.

South downed Central 32-24 as John Decker and Tim Schreader chipped in with 12 and 11 points respectively. Webber tripped South 25-21 in the last seconds of a hard fought game. South finished the season by defeating Arthur Eddy 31-20. Mark Helveston led the season's scoring with 66 points as top scorer for South.

South's juniors scored heavily with seconds and thirds to tie Weber 55-55. Dave Gookin, who splashed to a victory in the 50 yard backstroke, and the medley relay of Gookin, Heavenrich, Parks, and Horne led the junior team. Mr. Glen Lesson coached the teams.

1963 BASEBALL SEASON

South's 1963 baseball team got off to a poor start as they were defeated by Webber 4-1 on April 9th. However, Webber was considered by many as the city's top contender. On the 18th, South defeated Central 6-4 powed by the pitching and a game-saving homer with one man on by Roger Hayman.

Again, behind the strong pitching of Hayman, South won decisively from North on April 22, 4-1. Denny Herzog padded the score with a two run homer.

Coach Keene was confident that this year's team would complete the season with a respectable record.

1963 Schedule

South at Webber	April 9	South at Central	May 6
Central at South	April 18	North at South	May 9
South at North	April 22	South at Eddy	May 16

TRACKSTERS VIE FOR CITY CHAMPIONSHIP

Bang.... they're off!! This familiar sound was heard at the City Junior High Track Meet held May 22 at Arthur Hill High School. Preliminaries held at each junior high school determined the best runners and jumpers for the meet. South's own preliminaries were headed by Mr. Keene and Mr. Little. Mr. Schmitz was the starter.

HAIL TO THE CHAMPIONS

1963 has been a "year of champions" at South. The Sis Boom staff and all the students would like to extend our congratulations to all the boys and girls and their coaches, who have represented our school in the field of athletics.

SIS SNOOPER

This crazy mixed up year is kicked,
But dig these mellow lines we've picked.

Coach Keene now has a worldly air,
Driving around in his snazzy Corvair.

"I Will Follow Him" can compare to none,
It went all the way up to number one.

One fad that hit was wrap 'round skirts,
Along with their mates, bartender shirts.

Spring is here and all about,
Love's in bloom without a doubt.

Barb and John are still going strong,
They're a couple that's lasted long.

Jim and Sue are still around,
A happier couple can't be found.

Guna and Tom are nothing new,
To each other they'll always be true.

South's athletic teams sure had a ball.
When it came to trophies they won just about all.

Next to basketball and baseball, we're quick to report,
Girl-walking is the boy's favorite sport,

Summer vacation'll really rate,
With kids who like to sleep in late.

Our fellas all learned to succeed in life,
You've "Gotta Make an Ugly Woman Your Wife."

Some guys think they're really cool,
When they wear senior socks to school.

We remember almost every word,
We heard in "To Kill a Mockingbird."

At 3:30 the halls are quiet,
But in seventh hour they're havin' a riot.

The year went by with its fun and fame,
But without the Spectacular, it wasn't the same.

The Banquet was the climax for all 9A's;
It announced the end of our South School Days.

We students have had a pretty good year;
Some of us even like it here.

But Arthur Hill has a magical lure;
That 9th graders find hard to endure.

That's all the news; the end is here;
So "Aloha" to you, until next year.

ELEMENTARY

This year has exceeded all others in enrollment at South School. Although we have been crowded, the empathy of parents, the dedication of teachers, the cooperation of students and the fine interaction of the Junior High and Elementary Schools have made 1962-63 a rich and memorable year.

We extend our best wishes to all of the ninth grade students and hopes for a rewarding vacation to everyone.

GRADE 6— MRS. BURNETT

Our year's work began with the study of the United Nations, followed by the study of China, India, and South America. We learned dances and songs from each country.

GRADE 6— MRS. KALTENBACH

We have had a busy and enjoyable year. We covered units on South America, Middle Ages, countries of Europe, China, and India.

For Book Week we gave a play, "A Trip to Bookland", and we also gave a play on South America and invited our parents.

GRADE 6— MRS. SUDHOFF

This year we have studied the British Isles, the Soviet Union, China, India, and South America. We took a trip to the Saginaw Museum to see an exhibit on South America.

Our most interesting science unit was on the Earth's changes.

GRADE 5— MISS BARMORE

In social studies we spent much time studying Hawaii, Alaska, Canada, and the United States.

We worked hard on arithmetic, spelling, and composition, especially letter writing. We have spent much time on phoncis and handwriting and tried to improve our reading.

GRADE 5— MRS. BEDORE

We have enjoyed learning about our own country and Mexico. Much of our art and music was correlated with our social studies. The study of insects, chemistry, weather, and a trip to the Saginaw Museum all helped to make science interesting and exciting.

GRADE 4— MISS MARSH

This year we studied Switzerland, Norway, Eskimos, jungles, deserts, and Holland.

To end up our study of Switzerland, we had Swiss cheese sandwiches.

GRADE 4— MISS MILLER

We have had lots of fun in fourth grade. We have studied Holland, Switzerland, Norway, and the African jungle. We did some interesting art work. We learned long division in arithmetic.

GRADE 4— MRS. WURTZ

We have had a very interesting year. We have studied about many different people and their way of life. In the fall we enjoyed learning about animals when we had our jungle unit.

GRADE 3— MRS. DE SIBOUR

The first of the year we enjoyed studying Pioneers. The second semester we studied Indians. We made canoes, tepees, God's Eyes and saw some interesting movies.

GRADE 3— MISS ATKINSON

We made a covered wagon when we were studying pioneers. We had a display of things that pioneers used. In science we studied sea life, wild animals, insects, and the human body.

GRADE 3— MISS TOOLE

We have learned many things from our study of Indians, Pioneers, early Saginaw, and Saginaw today. We went to Heavenrich School and enjoyed sharing experiences with another third grade.

GRADE 3— MRS. VAN DUREN

This school year during our study of Indians, we made Indian head bands, tom-toms, and jewelry, and learned many Indian songs and some dances.

In studing about pioneers we learned what life was like in our country in early days. We had interesting science units about insects and the solar system.

GRADE 2— MRS. GILLERT and MRS. CHRISTESON

Our second grade took some interesting trips to the bakery, the market, and to the Post Office.

Probably the science unit most enjoyed was the study of the weather. We made individual weather books. We forcast the weather with a barometer, and recorded the daily temperature on a large classroom constructed thermometer.

GRADE 2—MRS. GODSEY

We have learned where our food comes from. We visited the Saginaw Fair and Gase Bakery and are planning to visit the dairy in April. We have discussed the growing of different farm products, and have prepared apple sauce, pumpkin pie, bran muffins, and butter.

GRADE 2—MRS. WALCH

If you had visited our room this year, you might have seen a market, a post office, or a pastry shop. We took trips to the City Market, the Post Office, and the Gase Baking Co. These interests provided extra reading and arithmetic experiences for us. We have had a busy year!

GRADE 1— MRS. GOULD

In our daily work we are learning to become good readers, to understand our numbers, and to enjoy working together. In our Weekly Readers, we learn about other parts of the world and talk about many interesting things. We have had fun making stuffed animals, too.

GRADE 1—MISS HATTERSLEY

We have had a happy time in first grade. We learned to read, write, and count. We gave our puppet show for many people. We studied about our homes, community helpers, and farm life. Best of all we plan to go on a train ride to Bay City.

GRADE 1— MRS. LIGHT

We have had fun learning to read. Now we go to the library. We like to sing and have rhythms. We made a horse. His name is Pinney. We studied about pets, our home, and city helpers.

KINDERGARTEN— MISS HART

We aim to grow socially, mentally, and emotionally as a group in preparation for first grade. We try to be thoughtful and considerate of others while having fun working together.
